International Organisation of Vine and Wine 
OIV

OIV "International Organisation of Vine and Wine" is the only international organization in the world that represents the entire wine sector. It is a non-profit organization that works to improve the quality of wine and to protect the interests of wine producers and consumers.

30th OIV MSc in Wine Management

International

The 30th OIV MSc in Wine Management was held in Beijing, China, from 1987 to 2017. It is a significant event for the wine industry, bringing together experts from around the world to discuss the latest trends and challenges in wine production and consumption.
